## Blueprint Intergovernmental Agency Infrastructure Updates

---

Blueprint Intergovernmental Agency is under the direction and vision of the Intergovernmental Agency Board, comprised of the Leon County and City of Tallahassee Commissions. Blueprint implements large-scale infrastructure projects funded by a voter-approved, local option one-cent sales tax in Tallahassee-Leon County. Transformative impacts are the keystone of the Blueprint program, such as alternative transportation choices, reducing congestion through roadway improvements and infrastructure for alternative transportation choices, creating park-like regional stormwater facilities to protect our natural resources, and supporting active recreation through engaging public spaces.

Keep reading to learn more about Blueprint's most recent progress and milestones as the Agency continues to dedicate efforts, collaborative partnerships, and visionary projects to enrich Tallahassee-Leon County's fabric.

## Awards, Grants & Leveraging

Excited to share that in Fiscal Year 2023 we received a **\$93,100 Beautification grant** from the Florida Department of Transportation for the [North Monroe Gateway](#) project. This brings the total amount of grants and leveraging funds received in 2023 to **\$119.4 M**.

North Monroe Gateway

The Blueprint Infrastructure staff continually searches for outside funding to leverage the sales tax. As part of the promise to be faithful stewards of taxpayer dollars, these leveraging opportunities maximize the benefits to the public more than the sales tax dollars could alone.

## Project Updates

Over the next five years (FY 2024-2028), Blueprint has an exciting lineup of projects in planning, design, construction, or completion, representing a **\$762 million** investment with almost **\$400 million** invested in the Southside. These initiatives will create new parks, miles of bicycle and pedestrian improvements, and enhance our gateways into Tallahassee-Leon County.

### Lake Jackson Greenway

Construction of the Pinewood Drive sidewalk, part of the Lake Jackson Greenway project, has been completed! A pivotal component of the Lake Jackson Greenway project, this initiative includes the creation of a new sidewalk stretching from Dellwood Drive to Delta Way on Pinewood Drive. Stay engaged with this project and witness how Blueprint enhances pedestrian and cyclist safety in neighborhoods along the greenway!

### **NE Corridor Connector: Bull Headley**

Construction of the Bull Headley sidewalk, part of the NE Corridor Connector: Bannerman Road project, has been completed! This project component represents a \$1.2 million investment, providing a new 6-foot sidewalk, 0.27 miles long, along northern Bull Headley Road from Chadwick Way to the Bull Headley Boat Ramp.

### **Northeast Gateway: Welaunee Boulevard**

The Northeast Gateway: Welaunee Boulevard groundbreaking ceremony occurred on Tuesday, December 5, 2023. A huge thank you to everyone who joined the groundbreaking event! It was an incredible day, and your presence made it truly special. Missed the event?

Catch up on all the project in Blueprint's NE Gateway press release.
