

Construction Manager

City of Tallahassee-Leon County Blueprint Intergovernmental Agency

Salary: \$50,627.20 – \$116,438.40/annually

Hiring Rate will generally not exceed \$96,345.60 /annually

The Blueprint Intergovernmental Agency (Agency) is seeking a Construction Manager. This is a permanent position within a dynamic government agency that has been at the helm of the community's most pressing infrastructure needs, based on a concept of holistic infrastructure planning and community redevelopment. The program promotes multi-use corridors, park-like regional stormwater facilities for water-quality protection, alternative transportation, passive recreation and wildlife-habitat preservation as it builds the infrastructure the community envisions.

The Construction Manager will be responsible for organizing, planning, leading and managing the construction project implementation of the Blueprint Capital Improvement Plan through all phases of construction in the Blueprint Intergovernmental Agency division of PLACE. This includes all project-related administrative requirements and serving as Construction Manager for all construction project implementation, which includes diversity and complexity for the Blueprint Intergovernmental Agency. The Construction Manager will oversee and manage the activities of consultant inspectors and construction contractors that may be composed of engineering and/or architectural personnel with technical support staff and outside contractors and consultants while exercising independence and initiative in the performance of daily tasks.

Minimum Training and Experience:

Possession of a bachelor's degree in civil engineering, building construction or a related field and four years of technical experience that includes inspecting public works construction projects with at least two years of public works contracts administration; or an equivalent combination of training and experience.

Necessary Special Requirement

Must possess a valid Class E State driver's license at the time of appointment.

CLOSING DATE: November 25, 2022

Must submit a City of Tallahassee application by the date designated above. Visit <http://www.talgov.com>. Please follow application instructions precisely.

TDD Number: 711.
