

Fairgrounds Beautification & Improvement

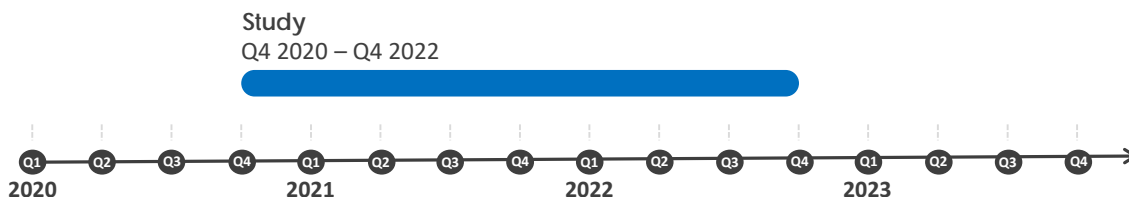

Project Highlights

- This project will enhance the existing Fairgrounds site while providing supporting new or expanded uses.
- A market study commissioned by the Board of County Commissioners was completed in 2015 which identified potential opportunities for improving the Fairgrounds site and supporting expanded uses.

Current Status:

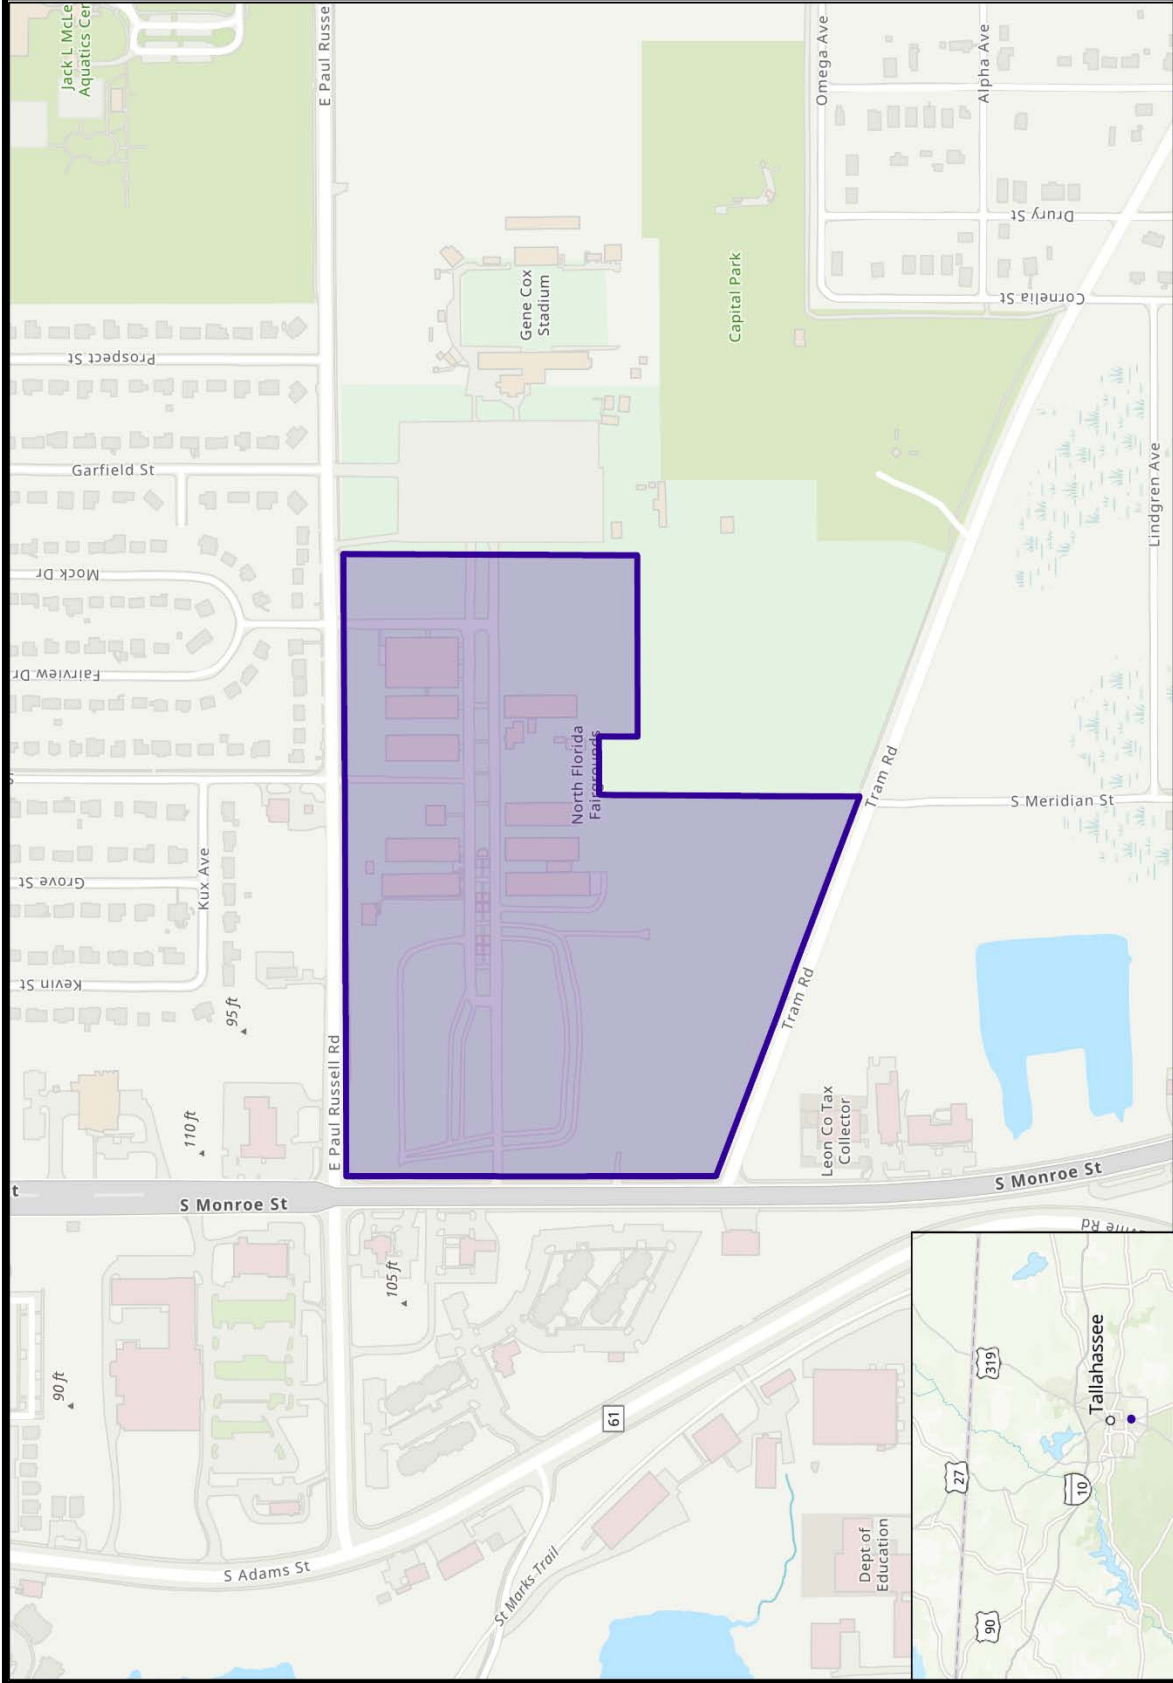

- In July 2020, the Blueprint IA Board approved \$65,000 to fund an updated market study for the Fairgrounds.
- Funding for the Fairgrounds project will be included in the FY 2021 – 2025 Blueprint infrastructure capital improvement program, consistent with IA Board direction.
