

Lake Lafayette and St. Marks Regional Linear Park

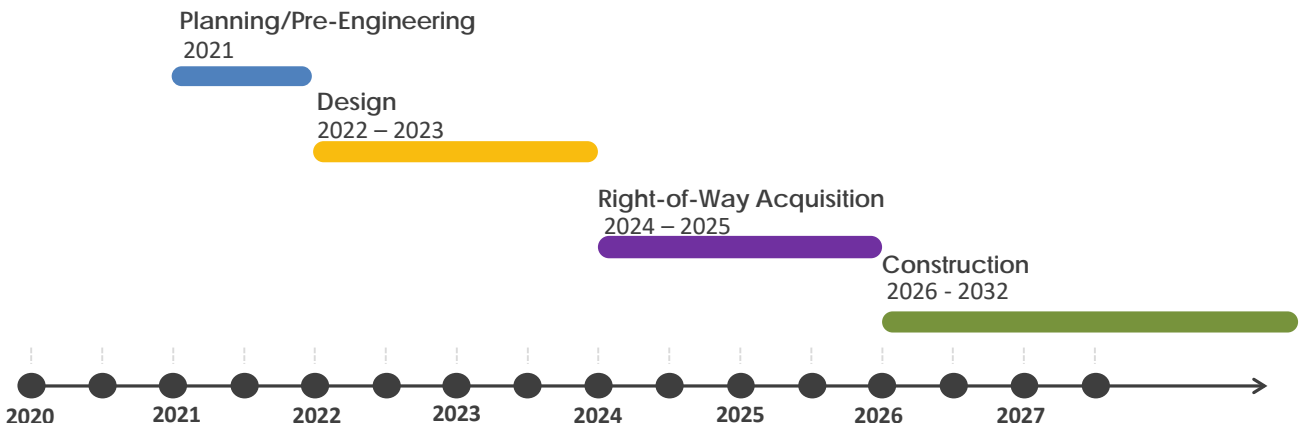

## Project Highlights

- This project will connect 7,200 acres of public recreation lands east of Capital Circle Southeast, as well as provides ecosystem restoration and flooding analysis.
- This project will also provide key trail connections to area amenities, including Tom Brown Park, Lafayette Heritage Park, St. Marks Headwaters, and the Apalachee Regional Park.

### Current Status

- The proposed Blueprint FY 2021 allocation of \$750,000 will funding initial environmental studies and planning for this project.

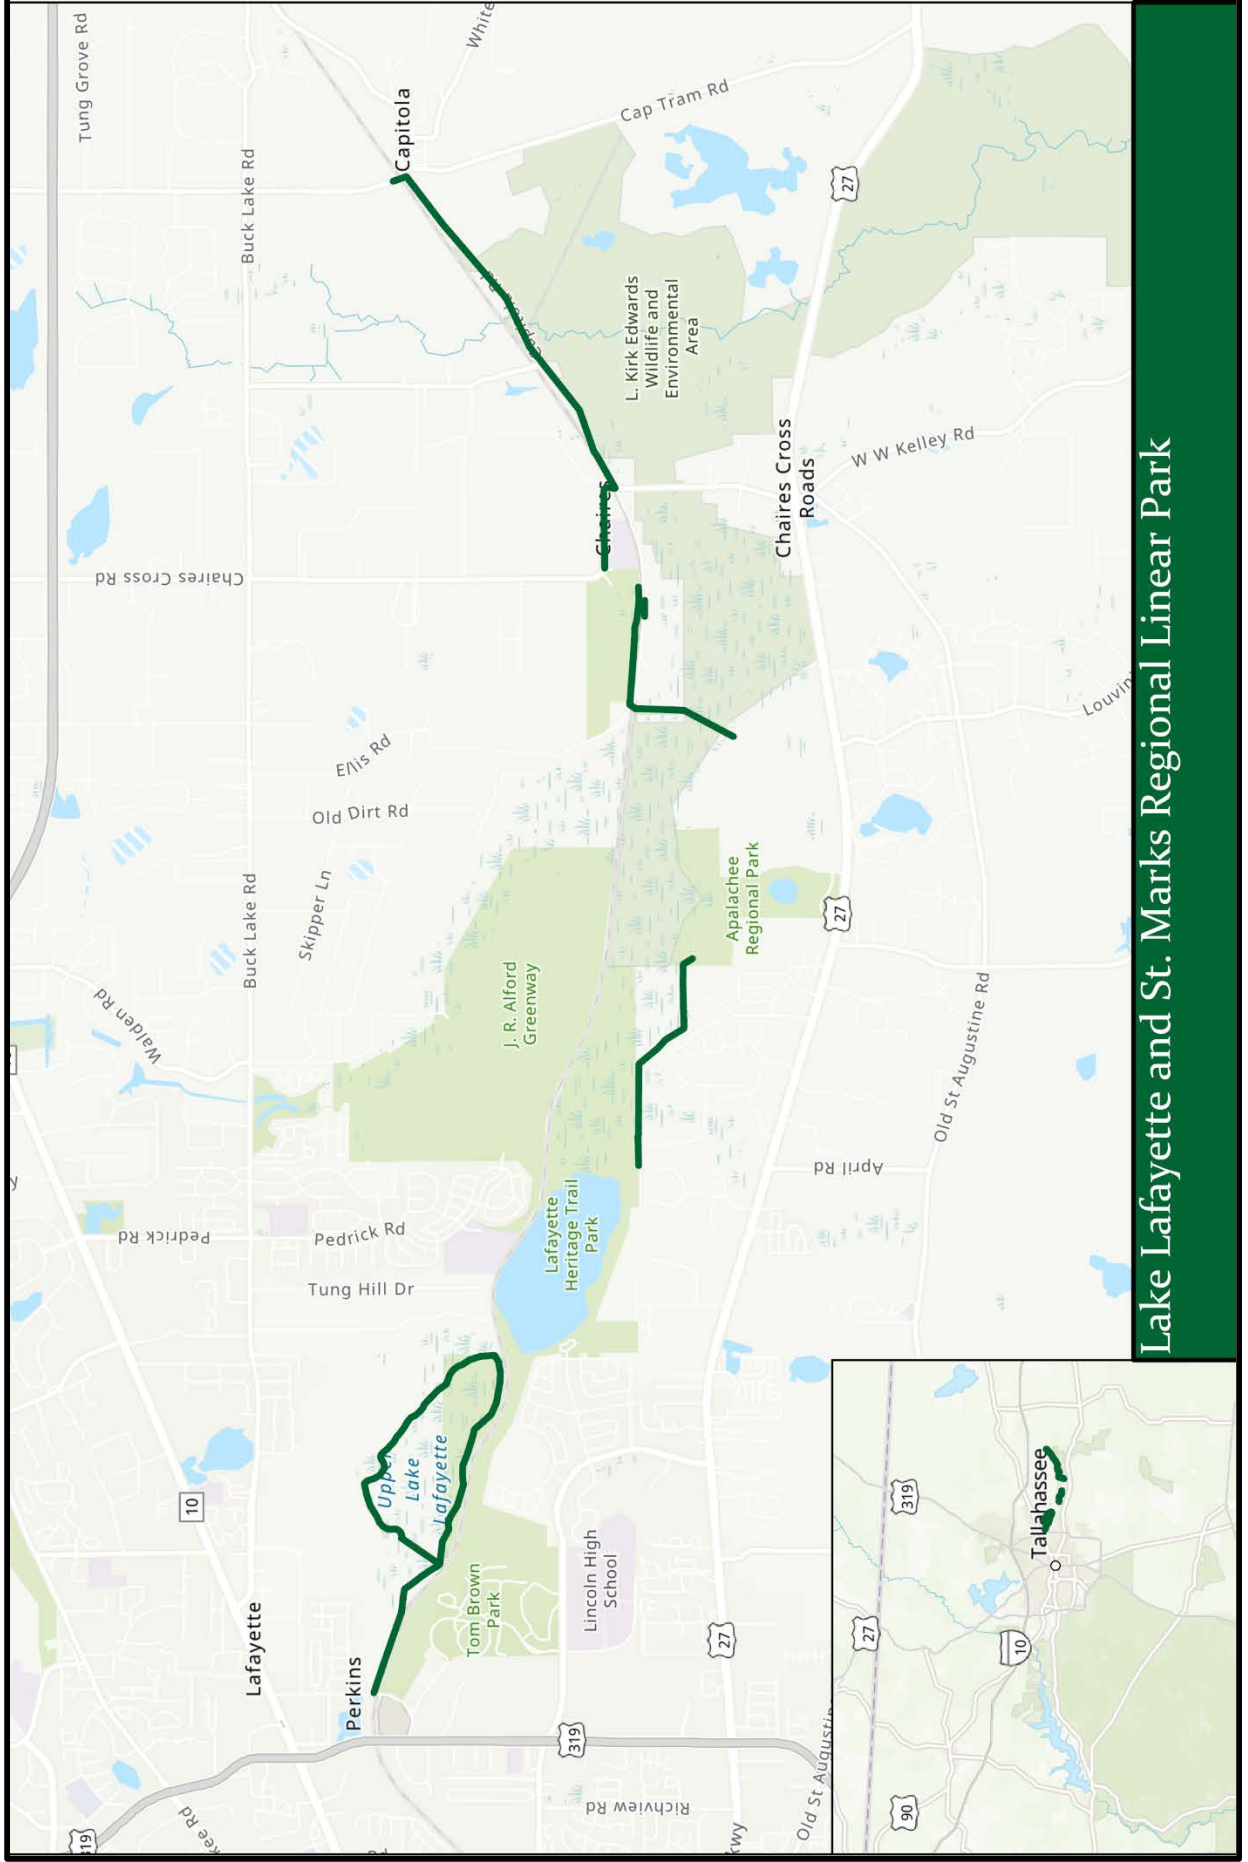

## Preliminary Estimated Timeline
