

Project Highlights

- Over the past three years, the Capital Region Transportation Planning Agency has conducted numerous traffic studies and developed proposed concepts for streetscaping, safety, and resiliency improvements along the Thomasville Road and Monroe Street corridors.

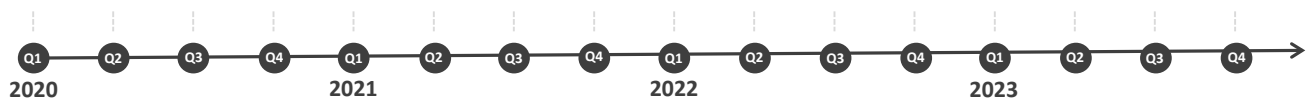

Current Status

- In late summer 2020, the Capital Region Transportation Planning Agency will conclude Phase 2 of the Midtown Transportation Study.
- The proposed Blueprint FY 2021 allocation of \$1 million will fund design of Thomasville Road improvements from Monroe Street to Seventh Avenue.
