

Orange Avenue Widening

Project Highlights

- This project provides improvements to Orange Avenue, a state roadway, including widening the roadway to four lanes from Adams Street to Springhill Road.
- Increases pedestrian and bicycle access with sidewalks and a multi use path
- Enhances the aesthetics of the corridor with additional landscaping
- Design of this project is currently being implemented by the Florida Department of Transportation.

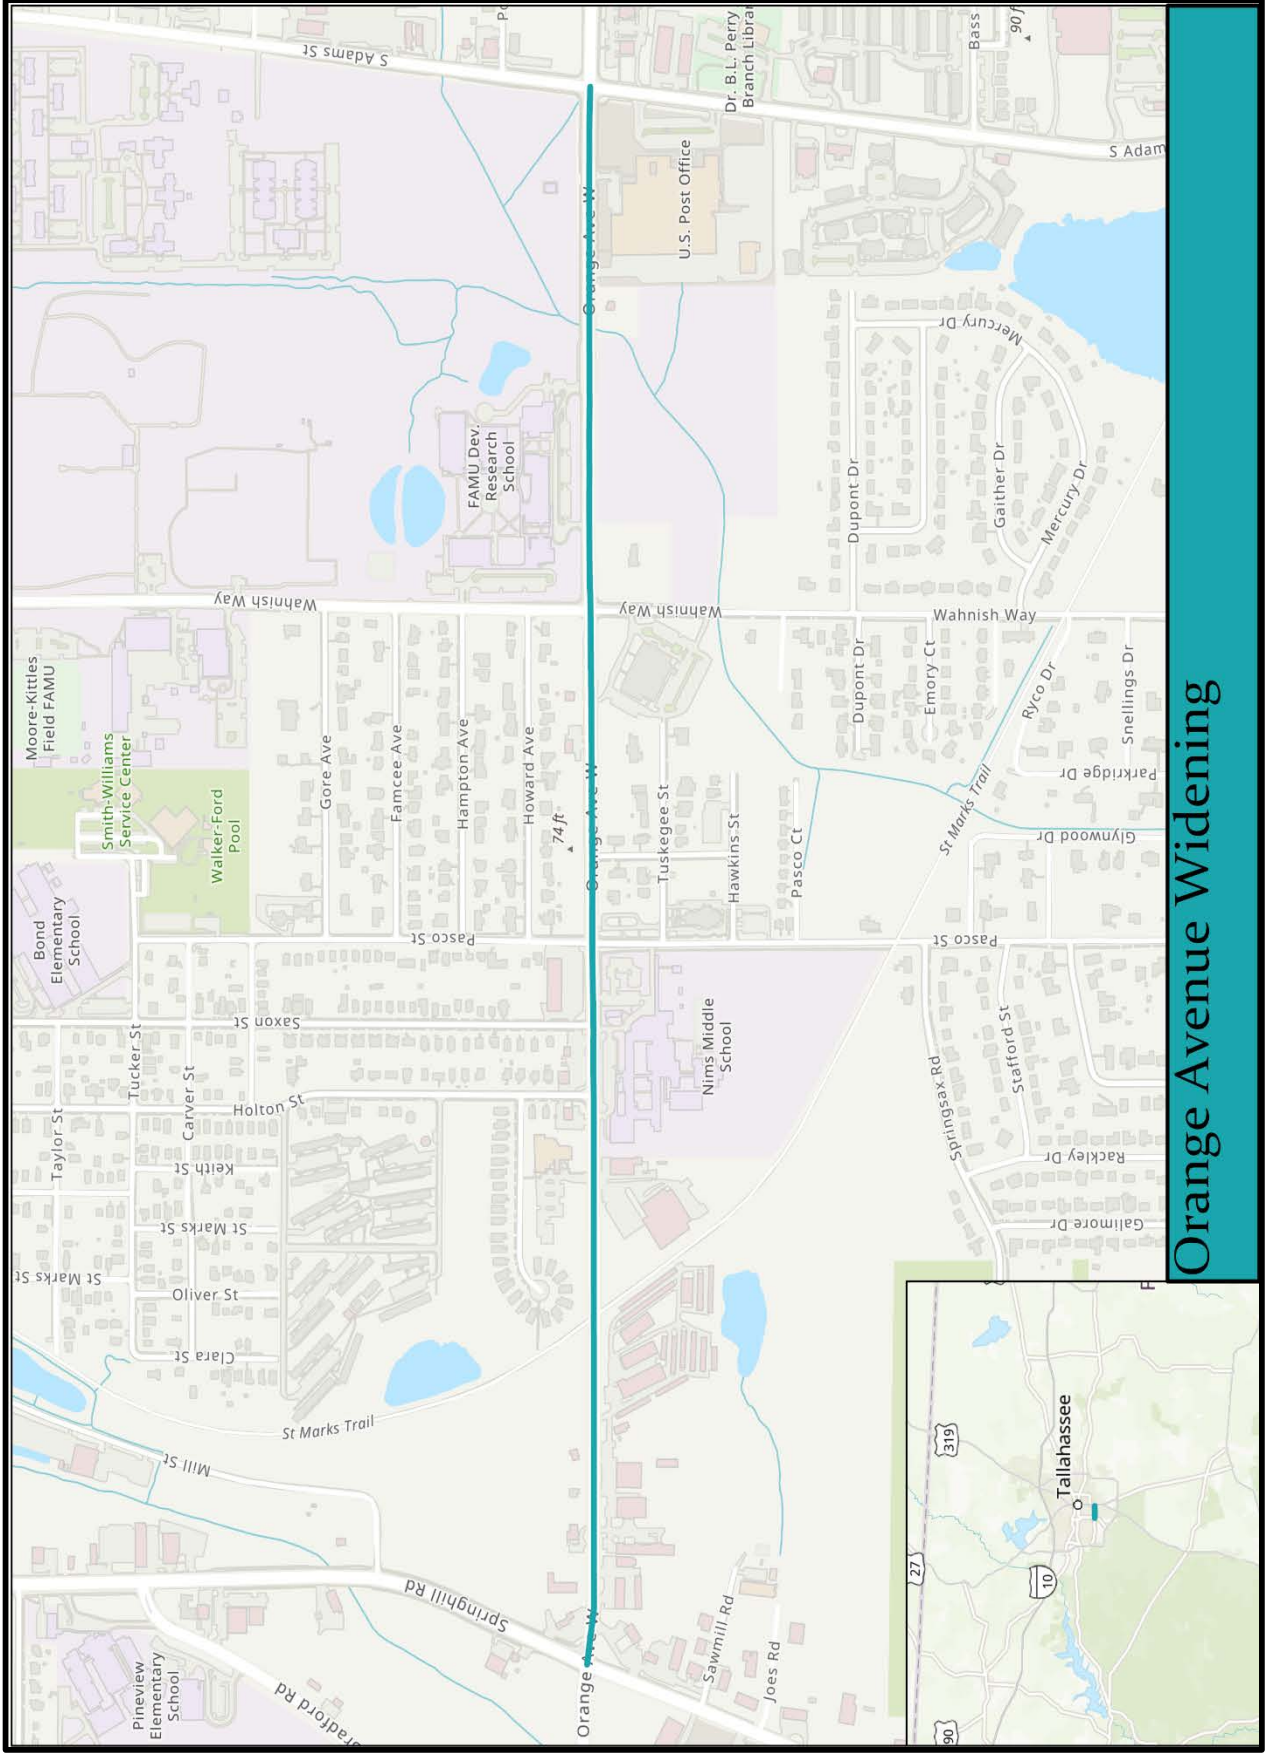

Current Status:

- Blueprint and the Capital Region Transportation Planning Agency partnered on the Southwest Area Transportation Plan Study to develop locally preferred alternatives and options for this corridor. The study was completed in 2019.
- FDOT is currently implementing the PD&E study for this roadway and has also provided funding for Design.
- The PD&E is expected to conclude in late 2020/early 2021.
