

Orange-Meridian Placemaking

Project Highlights

- Includes enclosing the East Drainage Ditch and creating an improved pedestrian path between South Monroe Street and Meridian Street, which will promote safety and connectivity.
- Will beautify the Leon County stormwater facility located at Orange Ave. and Meridian Street to create a community gathering place with trails and parking.
- Contributes \$1 million to the development of a planned StarMetro Transit Center.

Current Status:

- Project design services includes stormwater modeling, public involvement, park design, box-culvert design, and permitting. Planning and Design will begin September 2020 and is expected to be completed in 12 months.
