

*Animal Service Center*

## Project Highlights

- The Animal Service Center project will provide a variety of renovations to the existing center to promote animal health and wellbeing.
- A Needs Assessment Report was completed by Animal Arts, Inc. for the Animal Service Center in March 2021 to identify renovations and facility upgrades.
- Proposed improvements based on report findings include:
  - Large-scale dog kennel renovations
  - Shelter medicine area renovations
  - Addition of quarantine yards

## Current Status

- This project has not been initiated yet.
- Blueprint was directed by the IA Board at their September 27, 2021 meeting to present a budget amendment at the December 9, 2021 board meeting to advance fund the Animal Service Center project in FY 2022 through a \$3,800,000 bond increase.
