Capital Cascades Trail
Restroom

Project Highlights

- The Capital Cascades Trail Restroom project was completed in September 2022.
- The new restroom facility features two family restroom stalls near the existing playground and Railroad Square, on the north side of FAMU Way.
- Innovative stormwater treatment facilities are part of the project through the implementation of a green roof and cistern system that treat the stormwater at the facility and use the runoff stormwater to irrigate the green roof system.
- This public restroom serves the nearby Blueprint constructed projects including the Skateable Art Park, Coal Chute Pond activities, and the FAMU Way Playground.
- Ownership and maintenance responsibility has been turned over to City of Tallahassee Community Beautification.
