Capital Cascades Trail Segment 3 Coal Chute Pond

Project Highlights

- The Coal Chute stormwater facility has been enhanced through the inclusion of trail and park like amenities such as lighting, benches, and landscaping.
- Amenities were refined through a public involvement process conducted in Spring 2019, with FAMU, FSU, surrounding neighborhoods and businesses, and 300 citizens submitting their amenities preferences.
- The design incorporated the KCCI Red Hills Rhythm musical parklet, which now provides musical instruments designed for play.

Current Status

- The project is complete, and a grand opening was held on June 22, 2022.
- In January 2023, the ditch enclosure at Coal Chute was completed, and a final trail connection and landscaping were installed.
- The hammock garden has been installed.
