Project Highlights

• The History & Culture Trail (HCT) project will celebrate and highlight the history and culture of the neighborhoods and businesses along FAMU Way through artistic, cultural, and historical interpretative kiosks that will display images, photographs, and historical information.

• Through a partnership with the Council on Culture and Art (COCA), 12 artistic installations are planned to complement the interpretive kiosks.

• The project incorporated a citizen working group, who assisted in the concept and content development for historical and cultural interpretations.

Current Status

• The ‘artful celebration’ groundbreaking was held on October 13, 2022. During the event, the seven artists selected to create public art were announced.

• Final design is complete and construction of the public art components and hardscape elements is underway.

• The first project sculpture, “In Honor of the Worker,” by Mark Dickson was installed at the St. Mark’s Trailhead in February 2023 to celebrate the long-lasting impact of Elberta Crate & Box Company and Boynton Still factory workers.
Next Steps

- Installation of interpretive history panels and public art sculptures will be ongoing beginning in Q1 2023 and concluding in Q4 2023.

Timeline

- **Design**: Q1 2021 – Q4 2022
- **Construction**: Q4 2022 – Q4 2023

**Community Engagement**: Public engagement is ongoing through all phases of a project, from concept to construction, programming, and maintenance. Public engagement is two-way communication inclusive of all decision-makers and stakeholders. Each Blueprint project will have a customized Public Engagement Plan that is developed at the start of the project, and outreach activities and techniques will vary from project to project, as each project’s outcome and stakeholder community character is unique.

**Design**: The design phase includes development of design plans and construction documents for the trail amenities as well as the design of the Community Gathering Space at the 3DB Regional Stormwater Facility. Stakeholder and community engagement will be taken into account for final design.

**Construction**: Construction work will fully implement the final design plans for the project.

- **Q1**: January – March
- **Q2**: April – June
- **Q3**: July – September
- **Q4**: October – December
