**Capital Cascades Trail Segment 3
Skateable Art**

Project Highlights

- The project is complete, and a grand opening was held on June 22, 2022.
- The FAMU Way Skateable Art Park is a world-class skate park and is Tallahassee/Leon County's second public skate park.
- The central feature in the park is a roughly 225-foot-long snake run, which is the longest snake run in Florida. The park includes two shade structures. Other features are a competition style bowl, a U-shaped ramp, and elements that mimic real "street skating." These include curved banks and ledges featuring various textured stamping, an A-frame with a ledge, pyramid hips with ledges, rails, and a manual pad, and a snake gap with hubbas. The final element is a stenciled quarter pipe.
- Local artist Peter Koenig painted the central 'Rattler' art piece.
- The project was designed and built by Skate Park Specialists, Team Pain.
- Visitors can take a 360° [Virtual Skateable Art Park Tour](#) and watch videos of the grand opening [here](#).
