

Capital Cascades Trail Segment 3 Van Buren Street

Project Highlights

- This project will enhance an area adjacent to the Anita Favors Plaza, and will provide parking to support both the Plaza and Capital Cascades Trail activities.
- This project will also provide new pedestrian accessibility, underground utilities, greenspace, and decorative lights matching the completed portions of the Capital Cascades Trail.

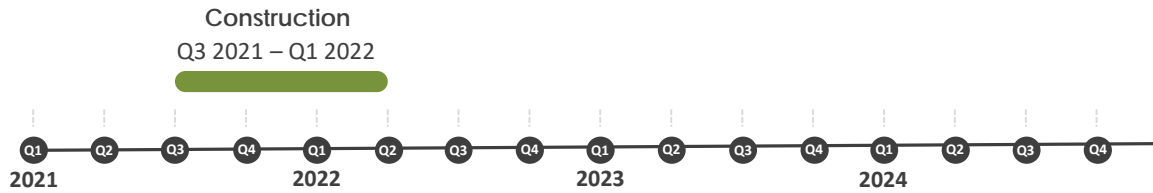

Current Status

- A construction contract has been awarded to North Florida Asphalt.
- Construction started in May 2021 with a completion date anticipated in early 2022.

Next Steps

- Project completion anticipated for early 2022.

Timeline

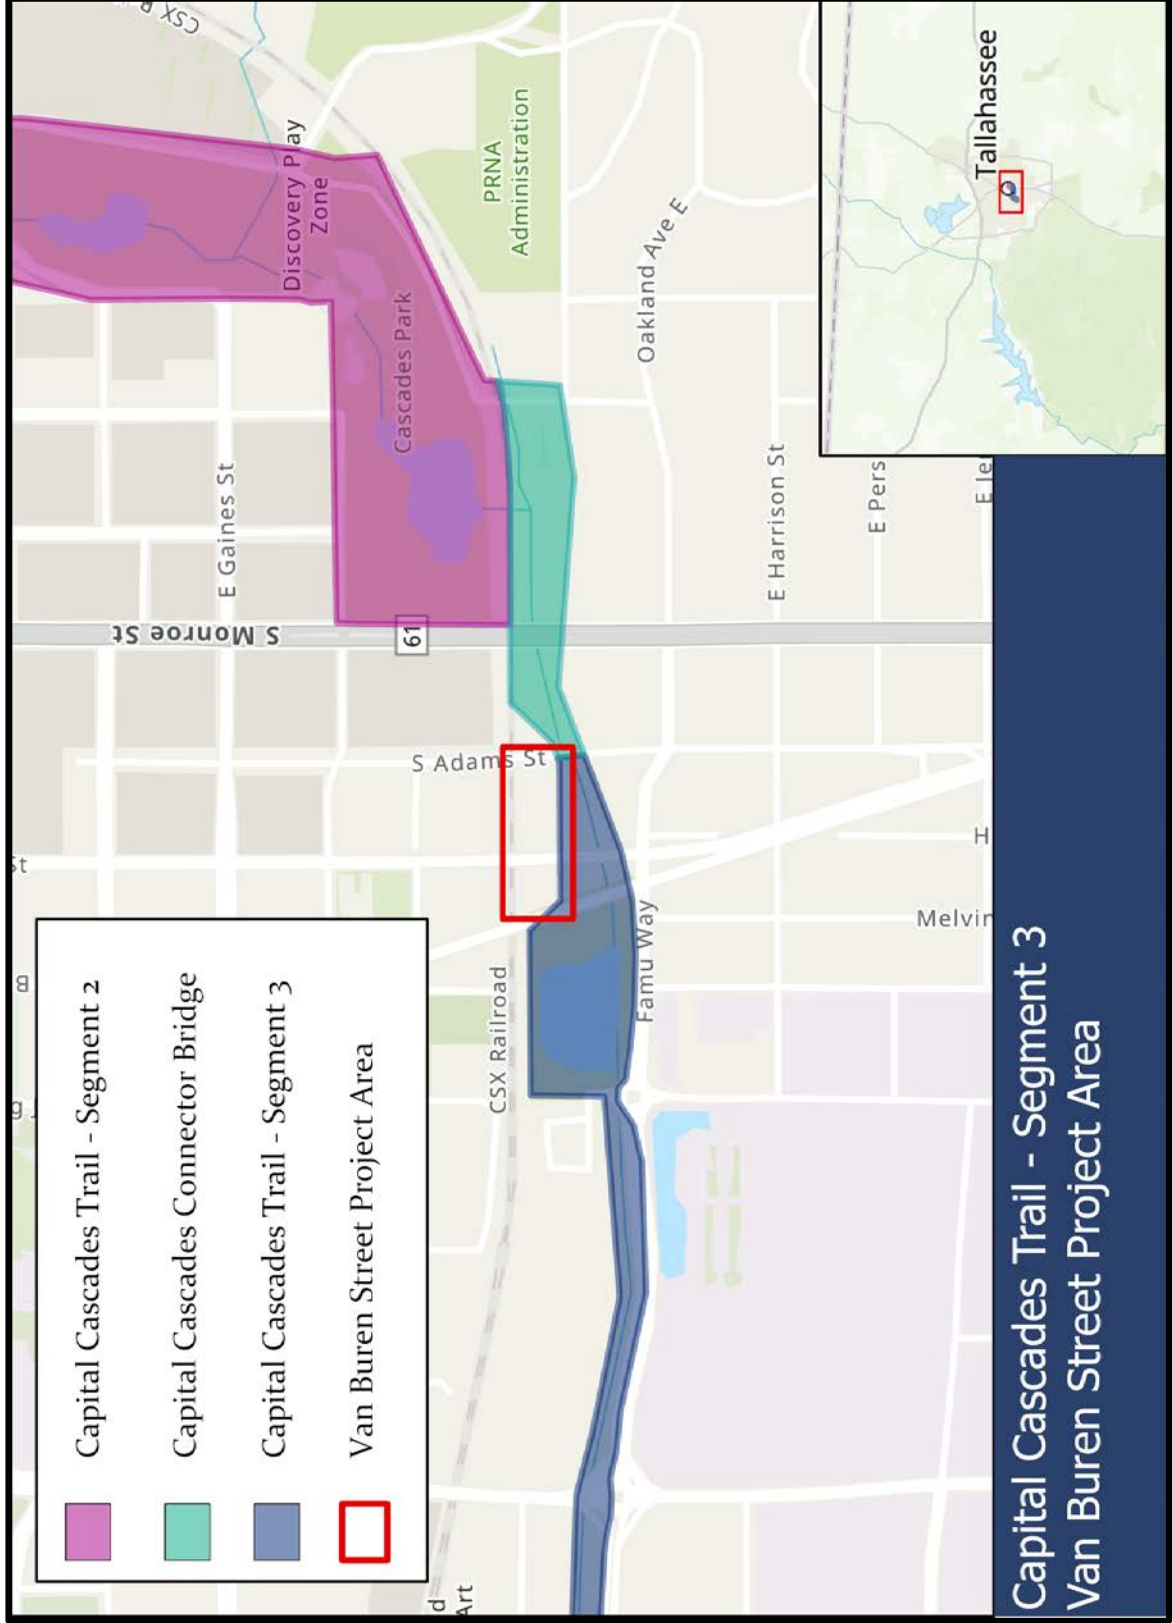

Community Engagement: Public engagement is ongoing through all phases of a project, from concept to construction, programming, and maintenance. Public engagement is two-way communication inclusive of all decision-makers and stakeholders. Each Blueprint project will have a customized Public Engagement Plan that is developed at the start of the project, and outreach activities and techniques will vary from project to project, as each project’s outcome and stakeholder community character is unique.

Construction: Construction work will fully implement the final design plans for the Van Buren Street Project.
