

*Alternative Sewer Solutions*

*Project Highlights*

- Project provides funding for the Alternative Sewer Solutions Study; study area is unincorporated Leon County, and includes the Primary Springs Protection Zone.

*Current Status*

- Blueprint has funded and Leon County has managed the first phase of this project: the Comprehensive Wastewater Treatment Facilities Plan (CWTFP), which began in November 2019.
- The Comprehensive Wastewater Treatment Facilities Plan (CWTFP) and a series of recommendations was presented to and approved by the Board of County Commissioners on January 24, 2023.
- An agenda item on the Comprehensive Wastewater Treatment Facilities Plan is anticipated to be presented to the Blueprint Intergovernmental Agency (IA) Board in Q1 2023.
- Future components of the Study include a Finance Plan to identify potential methods of funding the recommendations of the CWTFP, and a Management and Operations Plan to review strategies for ensuring the performance of wastewater treatment systems.
