Community Engagement: Public engagement is ongoing through all phases of a project, from concept to construction, programming, and maintenance. Each Blueprint project will have a customized Public Engagement Plan that is developed at the start of the project, and outreach activities and techniques will vary from project to project, as each project's outcome and stakeholder community character is unique.

Right of Way Acquisition: This phase will consist of efforts to acquire any right of way and/or easements necessary to complete the project. Any right of way acquisitions necessitated will be undertaken consistent with [Blueprint Real Estate Policy](#) and Florida Statutes.
