

## Orange Avenue Widening

### Project Highlights

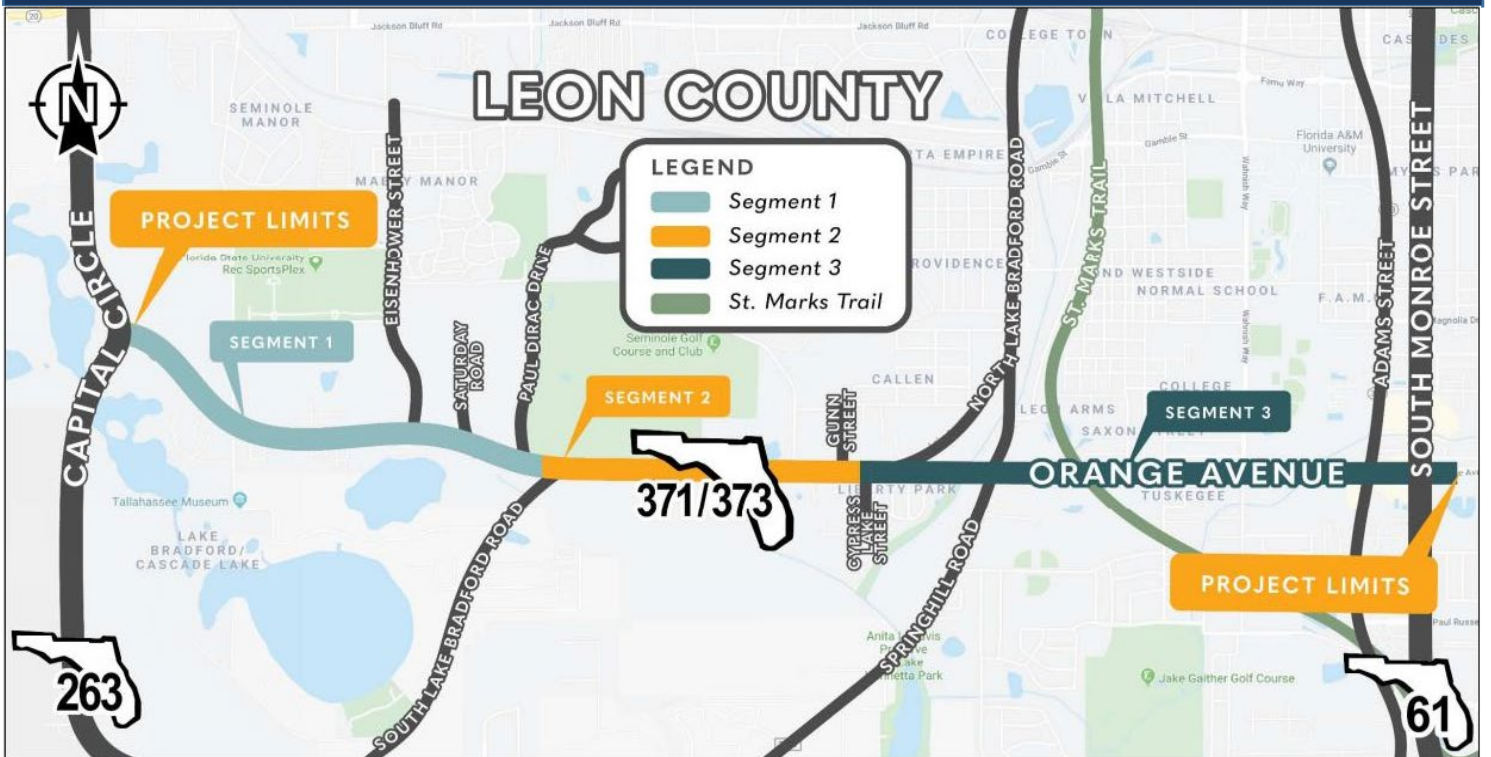

- This project provides improvements to Orange Avenue, a state roadway, including widening the roadway to four lanes from Adams Street to Springhill Road.
- Increases pedestrian and bicycle access with sidewalks and a multiuse path.
- Enhances the aesthetics of the corridor with additional landscaping.
- Design of this project is currently being implemented by the Florida Department of Transportation.

### Current Status

- An FDOT-led PD&E study was approved on June 14, 2022, and design is underway for the segment from Cypress Lake Street to S. Monroe Street.
- The segment from South Lake Bradford Road to Cypress Lake Street has also been funded for design.
- FDOT has implemented initial crosswalk improvements on Orange Avenue near Nims Middle School; additional improvements are being explored.
